House Cleaning Contract

1. Today _____ you will be receiving the _____ service. The price for this service is \$_____.

Included in this service is: _____

Payment Options available: _____ Cash _____ Check
(beginning in January we will have both debit/credit options as well as web payment)

2. Please understand that if you choose to pay for this service by check and the check is determined to be bad for any reason, you are responsible for the payment of \$32.00 to cover the bank fees associated with the bounced check. We do understand that things like this happen to good people all the time and we will be happy to service you again in the future, but we unfortunately cannot afford to absorb these fees.
3. If there are any aggressive or territorial animals on the premises, please understand that you are to have them confined to an area that allows the cleaning crew to work safely. All other animals may be in the living area at your discretion but we prefer they are confined to a safe space as well to avoid the possibility of them ingesting or licking floor cleaner or other various chemicals.
4. If you have children who you believe are of the age to get into the cleaning supplies, slide on wet flooring or to attempt to ingest the cleaning products we bring to your home, please keep them confined to a safe area as well.
5. By accepting our services and this contract, you agree that your home is a safe environment for H&H Services to do work (ie. There are no illegal drugs/contraband being sold, made or consumed at your residence, nor is it hostile or structurally dangerous to occupants).
